B. Sick and demonized were brought to receive healing (Mark 1:32)
C. Preaching . . . and casting out demons (Mark 1:39)
D. Jesus never separated healing from casting out demons (Luke 4:40–41)
E. A totally physical condition caused by an evil spirit of infirmity—Jesus did not pray for healing but deliverance (Luke 13:11–14)
F. Cast out demons and perform cures (Luke 13:32) He began that way; he ended that way

II. How Jesus Equipped His Disciples

A. He never sent people out in evangelism without equipping them to deal with evil spirits.
B. First authority given: “Power over unclean spirits, to cast them out” (Matt. 10:1). Instructions: Preach . . . but don’t just say it, demonstrate it:
   1. Heal the sick
   2. Cleanse the lepers
   3. Raise the dead
   4. Cast out demons
C. Jesus sent out seventy others (Luke 10:1)—their report: (v. 17) “Lord, even the demons are subject to us in Your name.”
D. The Great Commission (Mark 16:15)
   1. Preach the Gospel to every creature
   2. These signs shall follow those who believe:
      a. Cast out demons is the first instruction
      b. Then speaking with new tongues, etc.
      c. Laying hands on the sick is the fifth instruction
E. Jesus accused of being aligned with Satan (Matt. 12:26–28)
   1. Casting out demons is only miracle never recorded in Old Testament
   2. A clash between the two kingdoms

III. What Are Demons/Evil Spirits?

A. No clear biblical account—but clear direction on how to be rid of them
B. Persons without bodies
   1. Must recognize you’re dealing with a person
   2. Is. 61:3—“a spirit of heaviness”—another person
   3. Joel 2:32—whoever calls on the name of the Lord shall be delivered
C. Three objectives of demons
   1. To torment and torture
   2. To keep you from knowing Christ as Savior
   3. To keep you from serving Him effectively
D. Distinguish between flesh and demons
   1. Flesh: old carnal nature, inherited from Adam, rebel—Remedy: Crucifixion
   2. Evil spirits—Remedy: Cast it out
E. How to find out
   1. Same word for spirit, breath, wind
   2. As you cannot see the wind, but you know it’s there by what you can see and
feel; so you know demons are there by what they do.

F. Characteristic activities of demons
   1. They entice (if it’s in words, it comes from a person/demon)
   2. They harass (through problems, situations, troubles)
   3. They torment (with suggestion, or emotionally, physically)
   4. They compel (biting nails, thumb sucking)
   5. They enslave (alcoholism, other addiction)
   6. They defile (project evil, impure images into our minds)
   7. They deceive (behind all forms of religious deception—1 Tim. 4:1)
   8. They make people weak or sick or tired or kill them—spirit of slumber

IV. Areas In Which They Operate

   4. Or disappointment, loneliness, misery, depression, self-destruction, suicide

deliverance, often involves children of next generations), Jehovah’s
Witnesses, Theosophy, Humanism, all Oriental cults
5. Heresies—Mormonism, Reincarnation, all religions that emphasize salvation
   through works

H. Physical Body

2. Stress (it’s a person, not a condition)
3. Migraine (other head/nerve pain)
4. Allergies (not all, but many)
5. Tooth decay
6. Crippling, twisting the body
7. Sleep
8. Insomnia

H. Forgive all other people
   1. If you forgive, God will forgive you
   2. Not an emotion, but a decision
I. Stand on Scripture
   1. Joel 2:32
   2. Luke 10:19
   3. 1 John 3:8
   4. Col. 1:13
