

Dear Friend,

You can bring fresh hope and great joy to hundreds of believers in the former Soviet Republics.

Your gift today can release God's amazing blessings into the lives of spiritually hungry Christians.

Here's why: Every \$1 you send today will put Derek Prince's life-changing Bible teaching into the hands of pastors, Bible students and other believers in Russia, Armenia, Georgia, Ukraine, and surrounding regions.

Thanks to the generosity of friends like you, we have already printed thousands of copies of *Shaping History through Prayer and Fasting* in Ukrainian. Now we need funds to distribute these books, free of charge, to pastors who are mobilizing their churches to pray for their country in the grip of a terrible war.

This is just one of the projects we are carrying out in the former Soviet Republics. But there are more.

Here are just a few excerpts from emails we have received from our workers in this region, highlighting what they are asking for.

A special request from Armenia

Most evangelical pastors in Armenia are familiar with Derek's teaching. Many of them use it regularly to inspire and disciple their churches. Next year we are going to celebrate the 10th anniversary of DPM in Armenia.

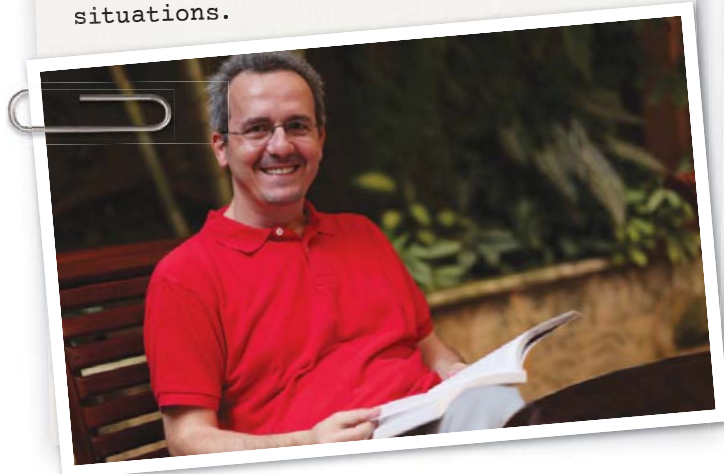

To mark this special occasion we want to translate, print and distribute 5,000 copies of *Foundational Truths for Christian Living* by Derek Prince. This book will be a tremendous blessing to many pastors ministering in difficult situations.

More resources urgently needed in Ukraine

We need urgent help for reaching out to our Ukrainian soldiers and refugees with Derek's teaching. The war is forcing many people to think about faith and God, and they are very open to spiritual things.

We want to print and distribute – for free – thousands of copies of *The Divine Exchange* and *How to Apply the Blood*. These books will go to our soldiers and to Ukrainian people living in camps.

Please help Bible Correspondence students in Russia

Our *Correspondence Bible School* continues to attract Christians from all over Russia. Currently we have over 1,000 students. Every month we receive many wonderful testimonies of how they are benefiting from Derek's teaching.

But, most of the students, like the majority of people in Russia, are struggling to make ends meet financially – so they can't afford to pay for the materials. Please help us continue to provide free Bible teaching by Derek Prince for them.

Will you enable us to respond to pressing requests like these by sending a gift to our outreach in the former Soviet Republics?

Right now you have an opportunity to be part of God's miracle in a region that is savaged by conflicts, political corruption, threats of war and escalating poverty.

Let us show you exactly how big an impact your gift can have:

- A gift of **\$50** can help provide a year's worth of materials for a Bible correspondence student in Russia.
- When you send a gift of **\$100**, you will put critical Bible teaching on prayer and fasting into the hands of 50 Ukrainian pastors.
- An especially generous gift of **\$250** or **\$500** will ensure that we can start translating key resources like *Foundational Truths for Christian Living* in Armenian and other regional languages.

If you have ever been encouraged and inspired by Derek Prince's teaching you know what we are talking about. The harsh reality is that many of our brothers and sisters in the Lord in Russia and elsewhere have little or no access to sound Bible teaching.

But you can change that. You can put Derek's books and audio-visual resources into the hands of pastors, Bible students, and other believers in the former Soviet Republics.

A gift of \$50, or whatever you can share today, can release God's power into many believers' lives. It will enable them to bless and encourage others too.

This is a wonderful opportunity for you to be part of God's miraculous work in places that once were communist strongholds. So, please give as generously as you can.

Thank you for choosing to impact lives through our DPM Outreaches.

Yours in Christ,

Neil Cornick
International Operations Director
