OUTREACH PRAYER FOCUS

SEPTEMBER 2020

We invite you to join Derek Prince Ministries staff and outreach workers worldwide to pray for our mission of making life-changing Bible teaching available to those who desperately need it. Thank you for taking time to pray and for supporting our outreach.

SEPTEMBER 1 INTERNATIONAL

- Pray for the Lord's guidance and provision for the work of DPM worldwide and for good health and protection of DPM staff, outreach workers and their families.
- In recent months during the pandemic, many countries have reported an increase in activity on their social media platforms where people are accessing Derek's teaching! Pray that this will continue and for even more people to be reached.

Americas

SEPTEMBER 2 UNITED STATES/ HISPANIC OUTREACH

- Latin America has been hit hard by the impact of the virus pandemic, and most countries suspended all international operations for over three months. They now are opening on a limited basis; this includes bookstores. Pray that the market will reactivate soon so that Derek's teaching can continue to be made available.

TESTIMONY - Middle East

"Your Book is not true, it is distorted. You worship three Gods (May Allah forgive you)! How can you say that God has a son - this doesn't make sense at all."

This is how a young Muslim girl named Samia, started her messages to our team on Facebook. The counsellor responded by saying, "The fact that you cannot understand these things doesn't mean they aren't true."

At this point, Samia took a step back and said: "Please answer my questions." She sounded sincere and listened attentively to the counsellor. Samia had many questions: "Why are Christians divided into Catholic,

Orthodox and Protestant?" And why does Christianity have two religions, the Old Testament and the New Testament?" By the grace of God, we were able to answer all Samia's questions. Then she made a firm statement. "So Muslim are the ones who are mistaken. I have found mistakes in the Quran, but I was afraid to search for answers. Now is the time for truth. I found what I really missed. I really want to know more."

Responding to Samia's honest desire, the counsellor sent her a Bible. She enrolled in our online discipleship group, and we are still connecting with her. She said: "I want to follow the truth and I am completely sure that it is the way of Jesus. It is an honour for me to follow His Word."

PRAISE REPORT - Egypt

After studying, we decided to gather to break those curses. We were all touched by the power of God. Thank you so much for this powerful teaching.
