PRISON TESTIMONY - UK

A chaplain wrote to thank us for the Bible study material we provided:

"It gives me great pleasure to report what has been happening since we implemented the Self-Study Bible Course. As you know, prison services have been in lockdown for some time, and we were asked to change how we engage with the men regarding their spiritual growth. We started to use the Self-Study Bible Course and called it the In-Cell Christian Bible Study Course. We have enrolled over 39 Christian men since March. Recently, I was able to bring several of them to the Multi-faith Chapel for Pastoral and Spiritual Support. One man shared he was now speaking in tongues, and the other two expressed their desire to also have that gift along with other spiritual gifts. Thank you again for your support. Please continue to pray for this."

- Pray for those who received Derek's Portuguese material to not only use it for themselves but to use it to teach their church members. Pray that the teaching will impact the lives of those who listen to or read it.

OUTREACH REPORTS/TESTIMONIES - India

- Elsie and the DPM team have been distributing essential food parcels to families of labourers who have lost their income due to the Covid lockdown. This will continue until people are able to get back to work.
- More than 200 pastors attended a one-day conference in Chennai in February where Elsie spoke on *The Divine Exchange* and *How to Pass from Curse to Blessing*. One pastor testified that the session on *Curses from Authority Figures* convicted him of his own faults. He stood before the pastors and vowed to go home, ask forgiveness of his wife and the Lord, and lay hands on her to break the curses he had spoken over her, replacing them with words of blessing. The other session that impacted many was on curses resulting from robbing God of tithes and offerings.

Elsie shared: "This meeting was held at Pastor Rex's church as a result of his reading Derek's book, *Foundations for Righteous Living*. When Derek came to India for the crusade in Hyderabad 23 years ago, he released this book that was printed for the first time in India, saying: 'This will be the book that will change the foundations of this nation.' My husband, Danny, and I personally heard that statement as we were on the stage when Derek said it. Now, 23 years later, what a blessing to see the same statement being made by Pastor Rex. He said, '...it literally shook my life and thinking and transformed me and my ministry completely. It was like someone had taken my brain out of my head and washed it clean of all the rubbish that was stored in there and then replaced it with a crystal-clear teaching of the basic teachings of the Christian faith. Just everything that I needed to know. It transformed my thinking and my life! I think every pastor should own and study a copy of this book.'"

- A one-day Family Blessing Meeting was held in Bangalore earlier this year for 200 people; 70 percent were not Christians, but they attended to seek the Lord for various problems. Normally, these people seek "miracle prayers" as someone prays over them, for their problem to be solved or need met. But this time, most who came up for prayer said God had spoken through the Word to their situation. It was an amazing testimony that the truth sets free, and they leave with the faith they received.

TESTIMONY

- Vazgen, DPM–Armenia Director, is also a pastor. Recently, his church experienced an outpouring of the Holy Spirit when his congregation was watching Derek's teaching, "How to Receive the Holy Spirit", on big screens. Many people had not yet been filled with the Holy Spirit. As Derek led in prayer, many came forward and experienced an indescribable and heavenly visitation as they were baptized with the Holy Spirit. One lady was filled later with the Holy Spirit in her husband's car when he came to pick her up after the service. Days later, she testified that she had changed beyond recognition since that moment. She used to suffer from terrible fears and thoughts, but after the baptism in the Holy Spirit, all her fears and negative thoughts left her. Vazgen said: "We praise God that even though Derek is not with us today, his teachings continue to draw people closer to God. I believe that the time is coming when the fire of the Holy Ghost will spread faster than the coronavirus, filling the nations with His presence."
